

## **UPDATE COVID-19 STATEMENT FROM INTERPROVINCIAL TRAFFIC**

**March 23, 2020**

Dear Valued Customers, Colleagues, and Business Partners,

Health officials in Canada continue to remind people about the importance of social distancing to stop the spread of COVID-19 by staying at home. With the health and safety of staff, customers and business partners top of mind, we've made the decision to close our office starting Tuesday, March 24 for an undetermined period of time.

**Please know that our team will continue to conduct business and be fully functional while working remotely from home offices.**

We are all connected and accessible via cell phone and email - and direct dial desk phones have been forwarded to cell. As such we'll be able to keep in contact with our customer base, colleagues and vendors and continue to accept and process orders, provide quotations and sales information and any necessary support as required. Attached to this letter is our company contact page for easy reference.

We'll do our best to continue shipping orders on schedule and receive product into our facility with minimal interruption.

Interprovincial Traffic is committed to continue to serve our customers to the highest standard during this time and we all hope things can return to normal soon.

**UPDATE COVID-19 STATEMENT FROM INTERPROVINCIAL TRAFFIC**

We again thank you for your continued support and wish you and your business, staff, colleagues, and families the very best of health.

Sincerely,

Chris Agnew  
President
